### Merry Christmas and a Happy New Year

I just wanted to wish everyone a really good Christmas and a fantastic 2012.

Everyone who comes into contact with Partners in Support comments on the quality and commitment of our staff, and their dedication in supporting people each and every day. I am very proud of what the organisation has achieved and look forward to 2012 with a great deal of confidence.

I hope to see as many of you as possible at the Xmas party in January, for those who have never been before, they are really good nights and a fun occasion. All your families are also most welcome.

Thanks again for all your hard work and hope to see you soon — Martin
